Annual 911 Ride from Nova Scotia, Canada to Maine, USA

Thousands of Americans ride their bikes to enjoy Nova Scotia's Cabot Trail, the best place in Canada to ride a motorcycle. I want to give back to our American biker friends by raising money for a charity that they cherish. I chose Rolling Thunder Charities as the sole benefactor. The major function of Rolling Thunder®, Inc. is to publicize POW-MIA issues and are also committed to helping American veterans from all wars. Rolling Thunder is a solid organization with 93 Chapters (as of 2010) all over the United States of America. Their Charity work is directed solely by volunteers and 100% of collected funds are passed on to the cause. Each year, I will ride from Nova Scotia to Bangor, Maine, to hand over the monies raised. This year, President Billy White, RT Chapter 2, ME will lead a ride from Sanford, ME to meet us. This is open to all motorcycles.

Hope you can join me,

Daniel Ross
